"Metalwork to Beadwork"

Leslee Frumin, a bead and metal artist from San Juan Capistrano, CA teaches off-loom bead weaving.

Leslee has published and won awards in both areas and her work has been featured in trade magazines in the US and abroad. She loves to teach.

Her goal as a teacher is to create a fun and successful learning experience. Her passion for all the colors and textures made possible by beads, metals and stones keep her excited. If Leslee could add another 24 hours to a day, to work on designs, she would be thrilled.
