Volunteers:

We welcome volunteers if you would like to be a part of a community of artists and creative people who love to make jewelry and art.

Our history of community involvement also includes:

- Teaching the Girl Scouts of San Diego to create beaded jewelry to earn a creative badge
- Beading Clinics at the Naval Hospital in San Diego through the wellness program for physically and emotionally wounded veterans and dependents
- Providing enjoyable beading experiences for kids at Rady's Children's Hospital where our volunteers assist in the creation of lovely pieces of jewelry while the children receive treatment.
- Donating to Beads of Courage for their San Diego program for children with cancer
- All materials are provided free of cost

If you would like us to provide a beading event for your organization, or if you are interested in donating beads and/or beading supplies, please contact us: sdbeadsociety@gmail.com
